COMMENTS OF WHEELER BROADCASTING OF MINNESOTA, INC.

Wheeler Broadcasting of Minnesota, Inc., the petitioner in the captioned proceeding ("Petitioner"), by its attorney and pursuant to Commission Rule 1.415, submits the following comments in support of the Commission's proposal to upgrade Channel 257A at Rushford, Minnesota, to Channel 257C3.¹

I. Preliminary Matters

1. On June 4, 1993, the Petitioner mailed comments to the Commission supporting this proposal (copy attached hereto). The Petitioner has not yet received a date-stamped copy of that filing back from the Commission and it has not otherwise been able to verify that those comments have been received by

the Commission. Petitioner is, therefore, also having counsel file these comments.²

2. Footnote 1 of the Notice herein mentions that Petitioner failed to submit an affidavit with its original petition for rule making verifying that the statements therein

III. Commitment to Apply For and
Construct Upgraded Facilities

4. If the Commission upgrades this allocation as proposed, Petitioner will promptly file an application requesting a construction permit to upgrade its facilities to the maximum allowed for a Class C3 station. If that construction permit is granted, Petitioner will proceed promptly with construction of the up-graded facilities.

Respectfully submitted,

RE: MM Docket No. 93-98
Comments to a Petition for
Proposed Rule Making to
modify an FM Assignment
for KWNO-FM at Rushford, MN.

Dear Secretary Searcy:

Enclosed herewith is a signed original and 4 copies of my comments to the Notice of proposed Rule Making (MM Docket No. 93-98) adopted March 26, 1993 and released April 20, 1993. Also included is my personal affidavit verifying that the statements contained within these comments as well as my original petition, respectfully requesting the substitution of FM Channel 257C3 for 257A at Rushford, Minnesota, are true and accurate to the best of my knowledge.
